

POWJH Septic System Pumping Cost Share Program Checklist

The first 75 Teton County, WY households to sign up by **Friday, July 19, 2024** are eligible to receive a **\$200 reimbursement** to help cover the costs of inspection, pumping, or other necessary septic system maintenance. For program details visit: powjh.org/septicrebate

This form is to be completed by the septic service provider and submitted by the applicant to Protect Our Water Jackson Hole (POWJH). Program participants must pay for the services in full, and POWJH will issue a reimbursement check to the participant once all of the necessary paperwork is submitted.

After your system has been serviced, **email a photo or scanned copy of this form along with the receipt** for services completed to Matthew Bambach, POWJH Water Resources Program Manager, in order to receive your reimbursement check: matt@protectourwaterjh.org

Inspector Signature

Date

This program is funded by a POWJH Environmental Protection Agency (EPA) Environmental Education Grant

Reimbursement Instructions

To obtain your reimbursement check, follow these 3 easy steps:

Step 1: Schedule Your Maintenance with a Septic System Service Provider

Contact a septic system service provider to schedule an appointment..

Step 2: Complete the Septic System Pumping Cost Share Program Checklist

During the septic system service, make sure your service provider completes the Cost Share Program Checklist and returns the completed form to you with a receipt for completed services. Program participants must pay for the services in full, and POWJH will issue a reimbursement check to the participant once all of the necessary paperwork is submitted.

Step 3: Submit Reimbursement Materials

To obtain your \$200 reimbursement, submit the following materials to Protect Our Water Jackson Hole once the service is complete:

- Receipt of service from service provider
- Completed POWJH Septic System Pumping Cost Share Program Checklist

How to Submit Paperwork:

Email a photo or scanned copy of your receipt and the completed checklist to –
Matthew Bambach, POWJH Water Resources Program Manager: matt@protectourwaterjh.org

Please submit only one reimbursement per property. Reimbursements are issued on a first come, first serve basis until program funds are exhausted. Reimbursement will only be authorized if paperwork is complete and correct.
